

Your safety and the staff of our Active Body team is our top priority during these challenging times.

Our Safety Protocols:

- A Temperature Check and Self Health Questionnaire will be performed upon entry.
- A Plexi-Glass Barriers are installed at our front desk.
- Members are expected to do their part in sanitizing equipment and lockers before and after use.
- Physical distancing is to be respected, 6 ft apart
- Limited Capacity as per NJS Guidelines (25% Occupancy).

Expanded Sanitary Procedures:

- Additional hand sanitizer stations, Gym Wipes and sanitizing spray bottles have been placed throughout the facility.
- Deep cleaning will be performed on a daily basis, as well as enhanced sanitizing procedures throughout the day.
